 www.praveengarg.codes

Versatile and results-driven Computer Application student with a strong foundation in Web Development and Data Science. Proficient in HTML, CSS, JavaScript, PHP, Python, and WordPress, with hands-on experience in machine learning and deep learning projects. Skilled in building intelligent systems including gesture translators, personality predictors, and vehicle detectors. Passionate about crafting user-centric digital solutions, combining technical development with UI/UX design expertise. Proven ability to lead teams, solve complex problems, and deliver impactful tech solutions.

Experience

Technical Head (Artificial Intelligence Experience Centre, IITM)

September 2024- Present

- Designed and developed aiec-iitm.in
- Created a custom proctored quiz platform for the AIEC, showcasing innovative remote assessment solutions.

Web Development Intern (VQMS PVT. LTD)

June 2024- August 2024

- Developed & designed qmcertification.com from scratch.
- Revamped homepage of vqms.co.in using WordPress.
- Designed posters for VQMS and OSPNL.

Education

Institute of Information Technology & Management (GGSIPU)

2023-Present

Bachelor of Computer Application (BCA)-Specialization in Data Science, CGPA: 8.4/10

- Relevant Coursework: C, Python, SQL, JavaScript, PHP, HTML, CSS, Bootstrap

Hans Raj Smarak Senior Secondary School

2018-2022

Senior Secondary Education (PCM with CS)

Projects

- ✓ [Real-Time Hand Gesture Translator](#)
- ✓ [Personality Prediction Model Using Machine Learning](#)
- ✓ Biological Age Estimator and analyzer
- ✓ [Vehicle Image Detection Using Deep Learning](#)

Skills

Technical Skills:

- **Frontend Development:** HTML, CSS, JavaScript, WordPress
- **Backend Development:** PHP, MySQL
- **Programming Languages:** Java, C, Python
- **Designing & UX:** Figma, Photoshop, UX Research, Wireframing

Soft Skills:

- ✓ Communication & Leadership
- ✓ Problem-Solving & Critical Thinking
- ✓ Time Management & Creativity

Leadership & Extra Curricular

- **NSS (National Service Scheme) Society Member** – Volunteered in social service initiatives.
- **Competitions & Events:**
 - Participated in "From Idea-to-Impact" Social Media Infographic Competition (IITM, Janakpuri).
 - [Coordinated Tech Fest 2025 at Institute of Information Technology & Management.](#)
 - Led a team of over 10 members across multiple projects.

CERTIFICATIONS

- [UX Design by Google.](#)
- [AI/ML using python by Shapemyskill Pvt. Ltd.](#)

- [Runner-Up in AI Innovations by IITM Janakpuri.](#)
